

Reminder for graduating students in the academic year 2024-25

February 2026 session (from 23 to 27 February 2026)

By 28 January 2026:

- **complete** the degree application exclusively online at:
<https://servizionline.unige.it/studenti/DOMANDALAUREA>, also indicating your choice regarding the printing of your degree certificate
- when completing the application, it is not necessary for all courses to be registered;
the deadline for registration is 13 February 2026
- **fill** in the AlmaLaurea questionnaire online on the same page as the degree application form
- if you have not already done so, request a postponement of your application if it was submitted in the previous session by sending an e-mail to sportello.architettura@unige.it
- **return any borrowed books** to the library service.

After completing the degree application form, by 13 February 2026 (non-extendable deadline):

- All examinations and educational activities (internships, workshops, etc.) must be **completed** and **recorded** in the electronic student record book (available via online services → My Career)
- **all fees must be paid in full**
- those who, when submitting their degree application, have chosen to **print** their diploma, must pay the stamp duty of €16 (via online services → payment of fees and contributions)
- the **personal data** on the student portal (available via online services → personal data) must be correct.

Within 7 days of their graduation session:

- candidates who, for any reason, no longer intend to graduate in the graduation session for which they have applied for admission **must notify** this by sending an e-mail to sportello.architettura@unige.it

Up to 2 days before your graduation ceremony:

- upload the final version of your thesis to the page <https://servizionline.unige.it/web-studenti2/it/#/caricatesi>

Please also remember to comply with any additional deadlines relating to the graduation session communicated by the department, graduation committee or supervisor.
